See more at www.vintagercsociety.org

Return to the early days of RC with great flying classics kitted, designed, or scratch built from plans from over 35 years ago. Listed are a few of the vintage planes that may be in the attic. A few are ARFs that would qualify, or kits still available to build one of your favorites! Designs can be scaled up or down. Modern engines and electric power are welcome. Modern radios are encouraged

The event is an Open Fun Fly for Vintage qualified fixed wing RC aircraft. Flying starts Saturday from 9:00 am to 4:00 pm. There will be no organized contests, however there will be pilots choice awards for best Scale, Dave Platt design (Vintage plane of the year), and overall Pilots favorite. Pilots must have current AMA membership card. Pilots Registration: \$15 Donation (\$10.00 with Vintage RC Society Membership). Questions: dkern7@comcast.net

Flying Circuits, Inc.

FORT WAYNE, INDIANA

Flying Field located in Jefferson Twp. park about 5 miles East of New Haven Indiana.

See Map and directions www.flyingcircuits.org

The Flying Circuits have one of the best fields and club amenities in the Midwest. Paved runway, covered tables and Lunch is available at the field club house.

Overnight guests will find a Holiday Inn Express close by on Hwy 30 just off of I 469. Ft. Wayne is full of things to do and a couple of hours North of AMA headquarters in Muncie Indiana.
